

Sutton Athletic Booster Club

The Athletic Booster Club was originally formed to offset a budget deficit to maintain the athletic program in the high school. Even though there are now athletic fees, the Booster Club does **not** fund the athletic budget. It does however, provide support to the athletic department in a number of ways.

The Booster Club has provided money for the following purchases: uniforms for the soccer, basketball, tennis and track teams, scoreboard repairs and basketball rims in the gymnasium, benches for the soccer fields, mats for the cheerleaders, volleyball & field hockey equipment. We have built the concession stand outdoors and have updated the electrical services to the outside facilities. We have financed and organized the seasonal athletic banquets. The Booster Club recognizes the efforts of the athletes by giving monetary awards to teams winning league or higher championships and also by awarding yearly scholarships to graduating senior athletes whose parents are members of the Booster Club.

Fundraising is our primary source of income. We run a basketball tournament in the fall and sell concessions during athletic events. We are always looking for new and creative fundraising ideas.

Meetings are held the first Monday of the month throughout the school year in the high school cafeteria at 7:00 pm. The cost is \$5.00 per year, regardless of how many children participate in athletics.

You don't need to attend all meetings to support the Booster Club. There are many events where you can volunteer. As a club made up of parents, our club has made the athletic experience richer for our athletes at Sutton High School and we welcome everyone! Consider volunteering for events in a season that wouldn't interfere with your child's athletic schedule. If we all do a little, it will help a lot!
